

WOODFORD SELF STORAGE LTD

We were interested in a professional website for our monitored container storage services.

We can honestly say DesignDock come up with the goods, providing a website that represented our services exactly as we requested.

They are accommodating, friendly and prepared to listen and combining this with their technical and creative expertise they offer the complete service.

We recommend them to anyone who wishes to improve their internet presence.

A handwritten signature in blue ink, which appears to be 'Jason Cohen', is written over a grey rectangular redaction box.
