Dear Brian,

RE: Vanguard Property Acquisition Ltd

This is just a quick note to thank you personally for assisting with my lettings business.

The services we have received from your company over the years have always met with our own high expectations and have been delivered in a timely efficient and friendly manner.

We are particularly pleased with the constant stream of ideas we receive from you with regards to adding more functionality to the site. This helps keep our company at the forefront of a very competitive property market.

We unreservedly recommend DesignDock to any interested parties.

Kind regards,

Jason Cohen
Managing Director
